

The JESUS experiment

Group Covenant

PURPOSE OF OUR GROUP

To share together in the challenge of living *the Jesus experiment* and developing a real-time connection with Jesus.

VALUES AND GOALS OF THE GROUP

Relationships

To build deepening relationships among the group members so that transformation can take place.

Authenticity

To maintain a non-judgmental atmosphere that encourages openness and transparency so people feel free to be themselves.

Confidentiality

What is shared in the group stays in the group, unless what is shared could cause harm to them or to others. (someone threatens suicide, murder, etc.) Such matters should be brought to the group leaders' attention in private for appropriate response.

Respect

Group should never attempt to be offensive in their conversation and behavior.

Availability

Group members will agree to meet weekly and be available to share together in the struggles and successes of seeing their lives align with Jesus.

Transformation

To support each other in seeing the lives of group members transformed into the likeness of Jesus.
